

Layman's Foundation, Inc.

Dear Friends,

August 2, 2012

Every 3M conference, we say that it will be the last, and it looks like this year's will truly be the last one. Every good thing eventually outlives its usefulness and the 3M conference is no exception. Having said this, it is our intention to make this year's conference (Dec 28-30), the fifth and final 3M, the best and most effective 3M ever.

What makes a 3M the best and most effective one ever? I would say three things: the speakers, the people attending, and the venue. For speakers, we have Mr. Walt Henrichsen back from the second 3M, Dr. Jerry Bangert back from the third 3M, and myself. We will be talking about the core meaning of what it means to be a Christian, preparing for eternity, and the critical ingredients of a Christian walk. For attendees, we will invite 80+ like-minded people that can easily interact with one another because of their homogeneity – young Asian professionals, between 25-35 years old, single, committed to Lay Ministry, have a heart for China, and understand the importance of a shared vision in marriage. Finally, this year's venue, the Sycuan golf and tennis resort in El Cajon, CA, is truly first class, providing not only great rooms and first class food, but also able to give us an unforgettable "getaway" experience, that is both relaxing and full of fun activities.

Details of the conference this year are available on our website. We are looking for people who are "sold out for Jesus" (as tennis player Michael Chang, our first 3M conference speaker, put it), people who understand it is better to serve rather than be served, people who do not need recognition and attention from the Body of Christ, and people who will enter into marriage more concerned with meeting their mate's needs than getting their own needs met.

Here is how registration is going to work this year. The cost of the conference will be \$405 per person (three nights, double occupancy, three days of meals). You will need to fill out the online registration form first (to get into our system), and then "confirm" that registration later with your full payment (either by check or PayPal). Full payment is due by November 15<sup>th</sup>, but the conference is essentially "First-paid, first-served." We will let you know when the conference is fully registered, and when we are starting a waiting list, but you are not confirmed until you have paid in full. All monies are non-refundable, but we can help you find someone to take your place, (and pay you back your fees) should you not be able to come. Please monitor our website for registration status. Looking forward to seeing you at this year's 3M!
